

St. Joseph's Catholic Primary School

Mater Christi Multi Academy Trust

At St. Joseph's Catholic Primary School, we believe that every child is a unique creation of God.

We promote respect and care for one another following in the footsteps of the family Jesus wants us to be.

Caring for one another is at the centre of our school life.

We promise to provide educational opportunities and experiences to enrich the learning and well-being of the children by following the teaching of Jesus Christ.

Our school values its partnership with the Parish community, together enabling our children to become rounded, confident individuals, with an understanding of Gospel values as preparation for the world of work and life.
