We promote respect and care for one another following in the footsteps of the family Jesus wants us to be.

Caring for one another is at the centre of our school life.

Accessibility Policy

SLT	September 2024	Fr. John-Paul Evans	September 2025

We are committed to providing a fully accessible and welcoming environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and want to continue to develop a culture of awareness, tolerance and inclusion.

This Accessibility Action Plan contains the relevant actions to:-

Improve access to the physical environment of the school, adding specialist facilities as necessary. This covers improvements to the school site to ensure all pupils have access to the different areas within school without experiencing barriers caused by steps, doorways, stairs, toilet facilities and showers for example. Additionally, it covers the use of signs, lighting and acoustics to ensure the best environment for all children to learn. It also includes ensuring emergency and evacuation systems are set up to cater for all pupils.

Increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that all pupils are given equal opportunities. This covers teaching and learning as well as the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist pupils in accessing the curriculum. The curriculum should also be differentiated using a range of methods to enable all the children to access the curriculum appropriately whilst maintaining high expectations.

Improve communication and the delivery of written information to pupils, staff, parents and visitors with disabilities, e.g. hand-outs and information about the school and school events including day-to-day issues. The information will be made available in various preferred formats, as specifically requested. The information can also be shared verbally or using the appropriate technology as required.

The Action Plan for physical accessibility relates to an Access Audit survey of the School. It may not be feasible to undertake some of the works during the next three years of this Accessibility Plan and therefore some items may continue into subsequent plans. The school will work in partnership with the Multi-Academy Trust and will adopt in principle the "Lancashire Accessibility Strategy, Access to Learning".
