

# Spring 1: Learning in Year 4

## English

In English we are looking at 'Marcy and the sphinx'

- Recounting a narrative using Y4 grammar features.
- Writing a non-chronological report inspired by Egyptian gods.

## Supporting your child with their learning

- Learning times tables up to 12 on TTRS 30 minutes weekly.
- Reading with your child daily.
- Supporting your child to tell the time using a range of clocks including analogue.

## What we are reading this half term:

- The Boy who grew Dragons
- Marcy and the sphinx
- Harry Potter the Philosophers stone

## Science

Digestion with a focus on Teeth

In Y4, the children learn the human digestive system, including its parts, functions, and how it breaks down food. Students learn about the different types of teeth and their functions, and how to care for their teeth. They also compare the teeth of carnivores and herbivores, and suggest reasons for differences.

## History / Geography

Ancient Egyptians-We will be taken on an immersive journey down the Nile. We will be looking at Pharaohs and how they lived.

## Maths

This term we will be looking into multiplication and division. We will then move onto place value with a focus on decimals.

## Computing

We are going to be coding using Purple mash 2b Logo programme. Internet safety

## Educational / Enrichment Visits

An immersive history company to visit and have an Ancient Egypt workshop.

## P.E

- Athletics
- swimming

## PSHE

What's important to me? We will be focussing on: A crayons story. Delving into the realms of self-identity and confidence.

## Music

Grime and garage music. We will be immersing ourselves in the genre of music and its history.

## German

Months of the year  
Greetings

## R.E

### **Galilee and Jerusalem**

We will be tracking Jesus's journey across Israel and further afield. On the way we come across new friends, miracles and bible stories spreading hope.

## Art and DT

- Making torches- Making circuits
