

Spring 2: Learning in Year 4

English

In English we are looking at 'Tutankhamun's story'

- Writing a non-chronological report inspired by Tutankhamun.
- Write a newspaper report.

Supporting your child with their learning

- Learning times tables up to 12 on TTRS 30 minutes weekly.
- Reading with your child daily.
- Supporting your child to tell the time using a range of clocks including analogue.

What we are reading this half term:

- Own and the soldier.
- Tutankhamun's story.
- Harry Potter the Philosophers stone.

Science

Sound

In **Science**, students will explore the fascinating world of sound. They will engage in experiments to understand sound waves, volume, and pitch, fostering a deeper awareness of auditory phenomena.

History / Geography

Ancient Egyptians-We will be taken on an immersive journey down the Nile. We will be looking at Pharaohs and how they lived.

Maths

This term the focus will be on fractions. Pupils will learn to identify, compare, and manipulate fractions, enhancing their number sense and problem-solving abilities. We will then move onto place value with a focus on decimals.

Computing

Spreadsheets and powerpoint

Educational / Enrichment Visits

We will be swimming every Tuesday.

Science week.

P.E

- Dance
- swimming

PSHE

Playing it safe –alafed and aalbert-This engaging curriculum will equip children with knowledge about personal safety, emotional health, and making responsible choices.

Music

In **Music**, our focus will be on the Gospel song 'Lean on Me.' Students will learn the song's significance and practice their vocal skills, promoting teamwork and collaboration.

German

Carnival and body parts.

R.E

Desert to Garden

In Religious Education, students will journey from the desert to the garden, reflecting on themes of Lent and forgiveness, fostering spiritual development and empathy.

Art and DT

- Sculpture
- 3D coil pots
